

College Acceptances/Visits

College acceptances are rolling in and our school is proud of all of the hard work and dedication our seniors have put in to earn their name on our college boards! College acceptances can be seen as you enter the main entrance to our school and on our website. Students were recently accepted to NJIT, Fordham, Cornell, Stevens, and Rutgers just to name a few. Students were also invited to attend a recent college fair as well as presentations given at our school. Some of those schools who presented at BHS included NJIT, Marist, Kean, St. Peter's, NJCU, Seton Hall, Rutgers and Sacred Heart All in all we will have 30 colleges present.
