

BHS Week of Respect – October 2nd 2022 – October 6th 2023

Following the passage of the Anti-Bullying Bill of Rights Act in 2010, with amendments in 2011, a new series of Harassment, Intimidation and Bullying requirements were established for New Jersey Public Schools. One such requirement is the “Week of Respect”.

Week of Respect is the first week in October where we teach our students and staff how to respect others, our school, our community and ourselves. Here in Bogota Jr|Sr High School, we take great pride in our education and support to our students. It is incredibly important that we respect one another while working together to end bullying!

Please see some of our agenda below, and help support our students!

- Wednesday, October 4th, we welcome preeminent author, and youth empowerment speaker, Robb Holla, for an assembly with all students.
 - Daily challenges for students and staff to help promote unity in our community!
 - Daily lessons and education on cyberbullying with our Morning Show students.
 - Open discussions with students surrounding historic events in New Jersey that have led the Anti-Bullying Act.
